

“Remarkable Work Happening Inside” Capital Campaign Naming Opportunities

Please know that gifts of all sizes are essential to the success of our campaign. Gifts of \$1,000 or more will be recognized in an alphabetized listing in the building lobby. Although one-time donations are preferred because they can be used directly for the facility without financing expenses, donations may be spread up to three years.

Thank you for your support.

Capital Campaign Naming Opportunities Descriptions

Production Floor—work skills training and on-going support in a controlled paid work environment for persons with barriers to employment. Production work also generates revenue to help support KANDU's programs.

Warehouse—inventory storage for KANDU's production operation.

Increased Support Program—provides increased support in a smaller work environment, greater supervision and a smooth transition to a KANDU day services program or medical return-to-work program.

Day Services/Memory Care—a daytime activities-oriented program that offers a safe, homelike environment for elderly or disabled adults.

Living' & Learnin'—a daytime program that encourages young people age 14+ to try new things while building friendships and gaining independence.

Minds in Motion—community-based day habilitation program designed to help seniors improve self-help, socialization and adaptive skills.

Daily Living Skills—program managers assist participants by developing individualized plans for emotional and personal development while broadening existing strengths and learning new skills.

Community Employment—program managers connect with area businesses in an effort to help identify and develop employment opportunities in the community for persons with barriers to employment.

Cafeteria—a space for clients to congregate during break and lunch periods as well as a venue for KANDU events.

Sensory Room—a room designed to create a sense of calm and stimulate exploration, learning, and development for individuals with sensory processing disorders or cognitive and learning disabilities, like autism or dementia.

Reception—main entrance and location of donor recognition wall.

Bus—handicap accessible bus with KANDU graphic used to transport clients to and from KANDU and on daily outings in the community.

Lounge—areas used as a gathering and meeting place for clients and/or staff.

Board/Meeting Rooms—meeting space used for bimonthly board meetings, staff meetings and training sessions.
